Dear Sir:

A response to the non-final Action was submitted on November 19, 2007 and is pending before the examiner in this continuing application.

The Applicant, through its representatives and attorneys hereby brings to the attention of the examiner the additional document noted in an Action in the corresponding Japanese priority application dated October 2, 2007, a copy of which is provided. A translation of JP1995-318905 is also provided. The relevance of the cited document can be seen from its English language text as provided, and from its citation in a Japanese Action. A copy of the Japanese Action is provided, but a translation is not readily available.

This will certify that each item of information for this information disclosure statement was cited in a communication from a foreign patent office not more than three months prior to this

submission, as noted above. Please take this information into account when reconsidering this application upon reaching the pending response to the pending Action for reconsideration.

It is not believed that any fee is necessary. However, the Commissioner is hereby authorized to charge any additional fees associated with this communication or credit any overpayment to Deposit Account No. 18-0013.

Dated: November 29, 2007

Respectfully submitted,

By  _____
